# GETTING TO THE Center for Neuroscience Care/ Epilepsy Clinic

609.853.7530

## CLOSEST PARKING LOT:

### V1, entrance via Punia Boulevard

- **Closest free self-parking** is available in the front of the hospital (the curved, silver building). Follow the signs for the East and West Entrances and then look for the signs for Visitor Lots V1 or V2.
- **Valet parking is available for a minimal charge on weekdays between 7:00 a.m. and 5:00 p.m. (See website for current pricing and additional information.)** It is accessible at the North Entrance of the hospital, which is next to the Medical Arts Pavilion entrance. The valet will drop you off at any entrance you choose. To reach the valet service, please call (609) 853-6963.
- **Handicapped parking** spaces are available. If you are unable to find a handicapped space please use the valet parking service free of charge. To reach the valet service call (609) 853-6963
- **Please avoid parking in lots E or D2**, as these are closest to Emergency Walk-in Entrance.

## CLOSEST ENTRANCES:

### West Entrance, East Entrance

#### From Parking Lot V1 & V2:

- You can access the **Center for Neuroscience Care** using the West Entrance or the East Entrance. If you are facing the front of the hospital—which is the curved, glass side of the building—the **West Entrance** will be on your **left** and the **East Entrance** will be on your **right**.
- The **Center for Neuroscience Care** is the last entryway on your right with the **purple lighting**.
- A Patient Access Associate will be available to check you in for your appointment.

#### If you parked in lots V3, S1, S2, V4 or D1,

- Enter through the **North Entrance**, next to the **Medical Arts Pavilion** building.
- Continue walking straight past the **Chapel of Light** on your left and **outdoor dining area** on your right.
- Continue straight toward the **Main Lobby**, you will pass the **Restaurant** on your **right**.
- Turn **right** at the **Gift Shop** and walk toward the glass front **Main Lobby**.
- Proceed **past the Information/Concierge Desk** and continue toward the end of the building. The Center for Neuroscience Care will be the last entryway on your right with the **purple lighting**.
